

Sunday Night
8:45 P.M.

Hello again!

Pretty good day today - I talked to all my kids but one - and to Kathy. Jeannie called looking sharp as a tack and I had a good visit with her. I take that back - it was last night I talked to you, Mick, but Jeannie and I called you today but a holy Father said you were not around. I deducted that if you weren't in the infirmary you must be practising and in that event

your throat would be
better. Hope you got to get
your throat blessed today.

When you get a minute, Tom,
write me about things at
1100 East 78th - how did you
find things there? Did you
get to call Patty?

Monica's folks left for Florida
today and Bagans and
Niemeysers are leaving tomorrow.
Jeannie & Monica are
thrilled about going to Winona.
They have to pay \$2 a
night to stay at St. Theresa's.
You will just nicely

get returned from your
trip, Mike, when Thomas
takes off for Michigan. It
is wonderful to be seniors
isn't it?

I will start saving for
your tuition, Mike, for
summer school in Boston.

The Merc (49) started
right off tonight for Mass -
very comforting.

This next week I will
be right "on the ball" so
that everything will be
in readiness for the tour.

Would appreciate a card
tomorrow so I'll know
how everyone is - tired
I know, but I hope not
sick anymore.

Write now and

More tomorrow

"Ma"

Two boxes on are their way
with junk - another one
will follow with shirts from
the cleaners - 2 brown
pants and 1 gray.

Ma again.
