

Wednesday 8:10 P.M.

Dear Kalamazoo + Milwaukee too!
My travelers!!

As per schedule I didn't get to talk to the "warbler" but was wondering so much about the "jaw" and the "throat" that I had to call. It was good news to hear that the Chorus was shaping up so well and that everyone is thrilled about taking off.

There isn't much to report in the line of news. A Mike Soulis (I don't know which one) had two fingers cut off today switching. He must be a railroad man.

Some Johnson (don't know who) drove his car into # 25 last night - he was drunk and the car was demolished but he didn't get killed. Probably it was "Ship".

TV isn't too good tonight but "I've got a Secret" is coming up and that's not too bad. Mrs Winnie's house isn't ^{too} bad!

The Ferguson's (across the street) left for California today. The Hart's yesterday. The city's "rich" are gradually leaving for the winter.

Saw Jeannie running around in church tonight but didn't get to talk to her.

Ya! two Greeks bought the Pal. Don't know what George & Nick plan to do but they are kinda like the Chinese - Channish and secretive about their dealings.

Came up the back stairs to school this A.M. and a beautiful green hard-top Buick '57 was parked in Mr. Anderson's spot. I asked him if it was his and he said, "No, that belongs to Johnny Hjellum. That pot-licker - he sure gloated about the Hamline game."

You sorta got me scared out, Tom, about spending two days at 1100 East. I'd like to cut it down to about 1. Rust still remains a problem - could ask Walt to drop in but you know what that would involve?

Guess Dad is taking a nap - don't know if it's much use to have him take the letter to the depot - sure disappointed you didn't get a letter today. There was 2 in it so maybe someone put it in their pocket.

Guess this is it - will try & round up shorts & jokes - better quite than basketball tho.
Love Mom
