Hello Men —

Got home from night school and Sis was on the phone so talked to her and so am a little late with my correspondence.

Nothing much to write about anyway — was fun watching the new Greeks taking over the Pal today. Nice looking couple from Grand Forks.

Main current event is the wedding of Mrs Orlesdy and Pete Shirber (Jim River Bank Pres) on Saturday by Fr. Hendrick —

Don't know where all your
women are but now that
the week-end is coming up
maybe they'll show up.

His isn't too fond of
the idea of the Landseer
coming so maybe that
won't materialize.

Pete Evenson is forecasting
snow so maybe our nice
weather is about over.

Milda was asking me
if you were going to work
at the plant this summer.
I told her you probably

would if you could.

Guess I'll retire - why
don't you?

Best luck for the week-
end. Call if there is
something I should know
about your needs.
