

Sunday  
9:00 P. M.

Dear Johnnies:

Enjoyed your  
visit last night - altho' you both  
seemed kinda' low or lonesome  
or something - maybe the fact  
that it was close to midnight had  
something to do with it.

I called Jennie and they  
are coming to Winona for sure -  
they didn't want Terry <sup>Mc</sup>Carthy to  
know they were going so they  
didn't talk last night.

Saw Carol Johnson in  
church but didn't get to talk  
to her. Will try and get you

Some goodies n' stuff, Tom,  
while you are alone so you  
won't get lonesome.

Dad and I cleaned the  
school this P. M. - it was  
filthy but it looks nice  
now.

In addition to the Tour  
and the Kalamazoo trip I must  
now subscribe to the Billings  
Gazette to get the Montana B.  
Tournaments (Feb 27 thru Mar 3).  
Isn't it all exciting? For  
everybody but Rust.

I'm waiting 'til tomorrow to  
send your money, Mike, as I  
thought maybe you'd want cash  
instead of a check.
