Friday Eve

Thomas Aquinas: Well you are a "bachelor" tonight and suppose the crew are in Fairmont about now going strong. Met Jannie + Monica on the street after school and they were all excited about leaving tonight. Lucky dog!

Sent the Record to Sis tonight so she can call for tickets and also read your article.

Guess the Academy went to V.C. tonight and V.C. Teachers is playing here at the College. — makes me think of another V.C. game when T.V. sets were being won. Am always kinda glad when Friday night comes — are you too or do you still have headaches on Saturday?

I couldn't find any writing material  
though so can't set with pen & ink  
R.C. Black.

Walter & Mary are going to start  
working at the State Hospital on Monday -  
What help?

Harry's girls are checking again - they  
are leading the tournament at Rogers.

I don't see the Ballinger family as I  
will send you the note - up on game

games.  
Do you think you can make it to  
Munro's on Sunday?

Have you talked to Berkham lately?  
Or Utter?

Have a nice week-end and see  
with you again on Sunday. If you

get someone give me a call.  
Hoping to give you a full note and  
go to bed. If the laundry comes see do

that tomorrow.

Love  
from  
Mum
