

Wed Eve

Hello Fellas:

Kinda' wishing you would call so I'd know if anyone was sick. How did the home concert go Mike? Suppose you are kinda' lonesome and have that "let-down" feeling — The amount of work you put into that show I don't suppose one could ever imagine — that dance act alone was so perfected that it must have taken thousands of hours — to say nothing of the training taken for the vocal numbers. Now it all just a memory but one that I am sure you will always remember.

Sis + Don called tonight  
and I guess Don is going  
to take that Washington job -  
hate to think of them going  
so far away! Sis is such  
a brick - she took us to  
the train and cried when we  
had to leave her. Things  
really get complicated with  
your kids sometimes.

When do you leave, Tom?  
Is that Sunday? Hope you  
have a good trip.

Weather is perfect here -  
water all over the place -  
Will this be enough money  
for the trip - hope so!

Write when you can.

Love  
Mom

**MATCHIE MAINTAINS  
"A" AVERAGE IN COLLEGE**

Thomas F. Matchie, senior biology major at St. John's University, Collegeville, Minn., has been rated as an honor roll student for maintaining an "A" average during the first semester.

Thomas is the son of Mr. and Mrs. Timothy P. Matchie of 313-4th Ave. SE, Jamestown.

Mr. and Mrs. T. P. Matchie have returned from Minneapolis, Minn., where they went to hear the choir of St. John's University sing. Their son, Michael, is a member of the choir.

I am sure I will get  
credit for both items but  
"on my honor" I had  
nothing to do with either.
